

# ☐☐ The Board generally demonstrates passive coordination of fundraising work

“Developing: The Board may be under utilised and the issue demands attention.

## Reflection:

- Review Board composition and make it more contemporary with changing development landscape.
- Creating structures within the Board specifically to drive FR ambitions; like a Council, a sub-committee etc. and develop clear agenda for the new structure, with the Board.
- Others -

## Action:

- Develop a fresh Board engagement plan.
- Bring in new Board members, who could be influencers.
- Others -

## Notes for Development:

1. The Board may be under utilised and the issue demands attention.
  2. Think of developing a more holistic Board role; Board composition can be useful to look at as well. The leadership may also think deeper in terms of better (in a more result oriented way) engaging with the Board.
  3. Consider a discussion with the Board for bringing in reforms in Board responsibilities; Board may create sub-committees and bring in new skills and leadership - like an advisor, an angel investor, etc.
